

# 57EL-99100

1		X1	A		M6*15	X11
2		X1	B			X11
3		X1	C			X1
4		X1				
5		X1				

Check the package contents and read the instructions before proceeding with the assembly. Use a soft mat to avoid damage during assembly.

If it is necessary to move the table assembled, the main effort should be applied to the base, not to the countertop. The seller is not responsible for damages in cases where an excessive force was applied to the countertop.
